Dear Mr. President:

**Louvre Amarna Princess # DAE 27215**  
**Madama Christiane Desroches Noblecourt**  
**Référence:SCP/CdO/E078630**

It has been over four months, that I wrote you regarding the above captioned subject. Other than an acknowledgement from Monsieur Lambert, I have received no indication that an active investigation of this matter is in progress.

Monsieur Lambert tells me that Monsieur Mitterrand was assigned to investigate this matter. However, we have appealed to him in this past to resolve this matter and he referred it to the same people we were complaining about. So, putting him in charge, is like asking the fox to guard the hen house!

I urge you, Monsieur le President, to take an active part in this investigation. After all, the reputation and integrity of the Louvre are on the line. Of course, **if you are unable to resolve this problem, the mafia, in charge of the Ancient Egyptian department of the Louvre would have won.**

May I hear from you by return mail?

Sincerely,

Alfred Mansoor, for the Family of  
The Late M.A. Mansoor
